KEITH COURSEY

u

WOODWARD HIGH SCHOOL — CINCINNATI, OHIO

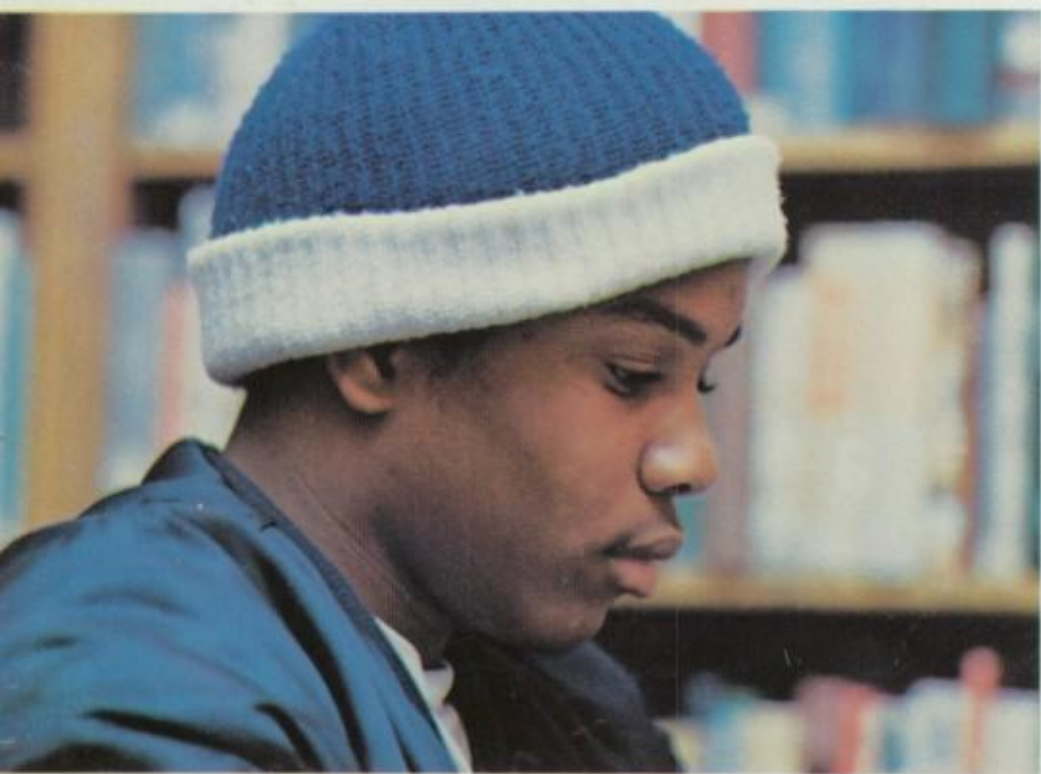

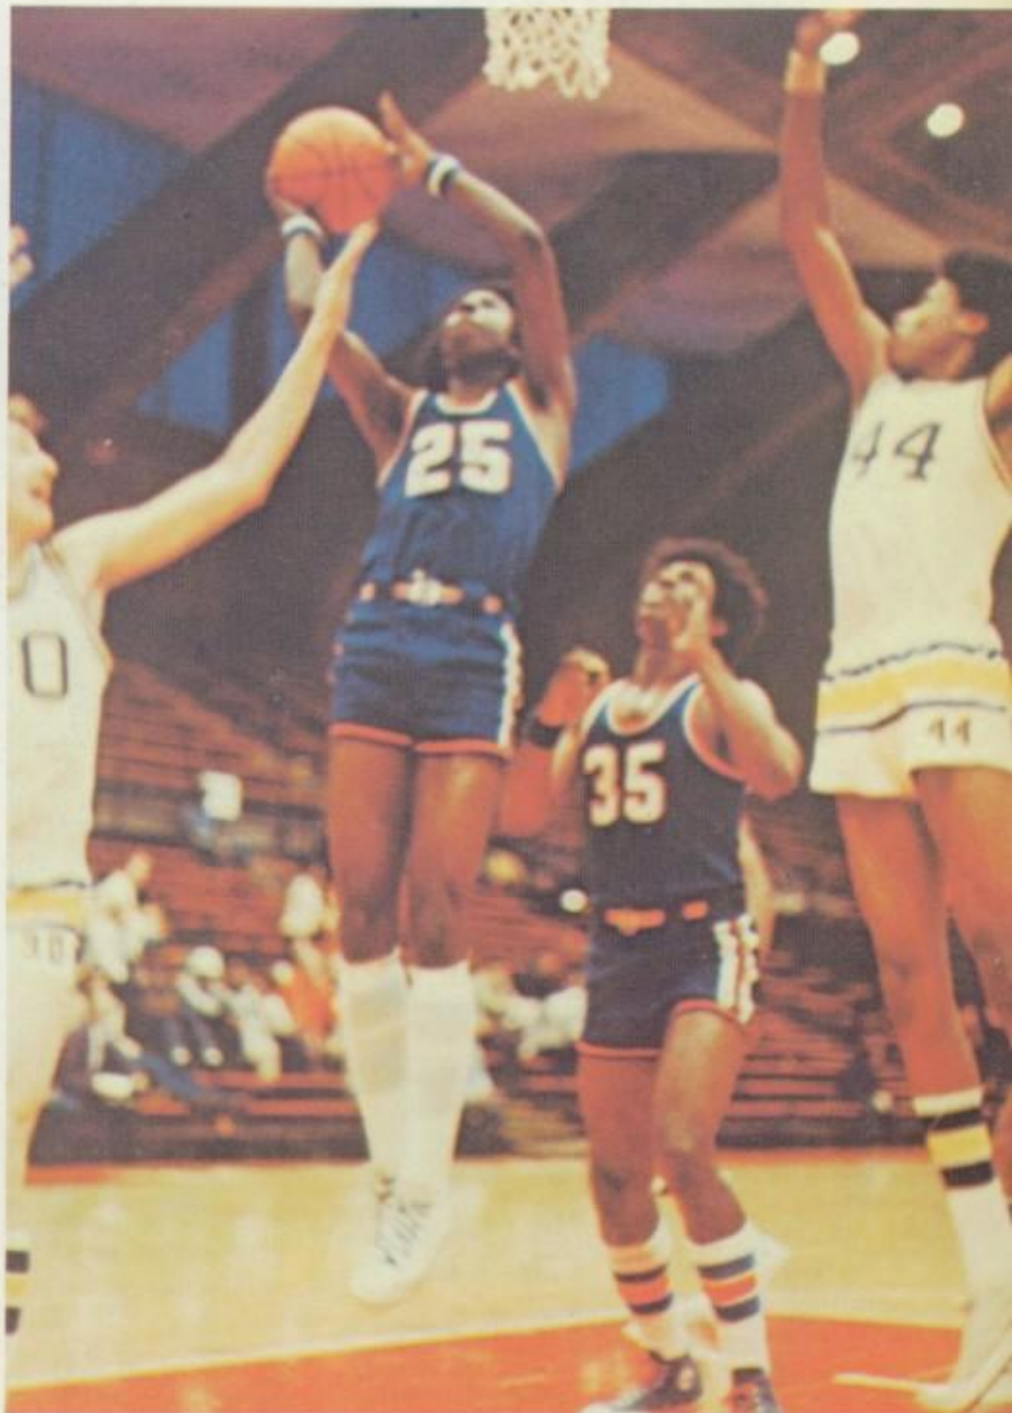

1974 TREASURES

Esse Quam Videri — To Be Rather Than To Seem. Our school motto

embodies the idea of being — being an individual who knows and is willing

to stand for what he really is — no facade to fool others or oneself. A

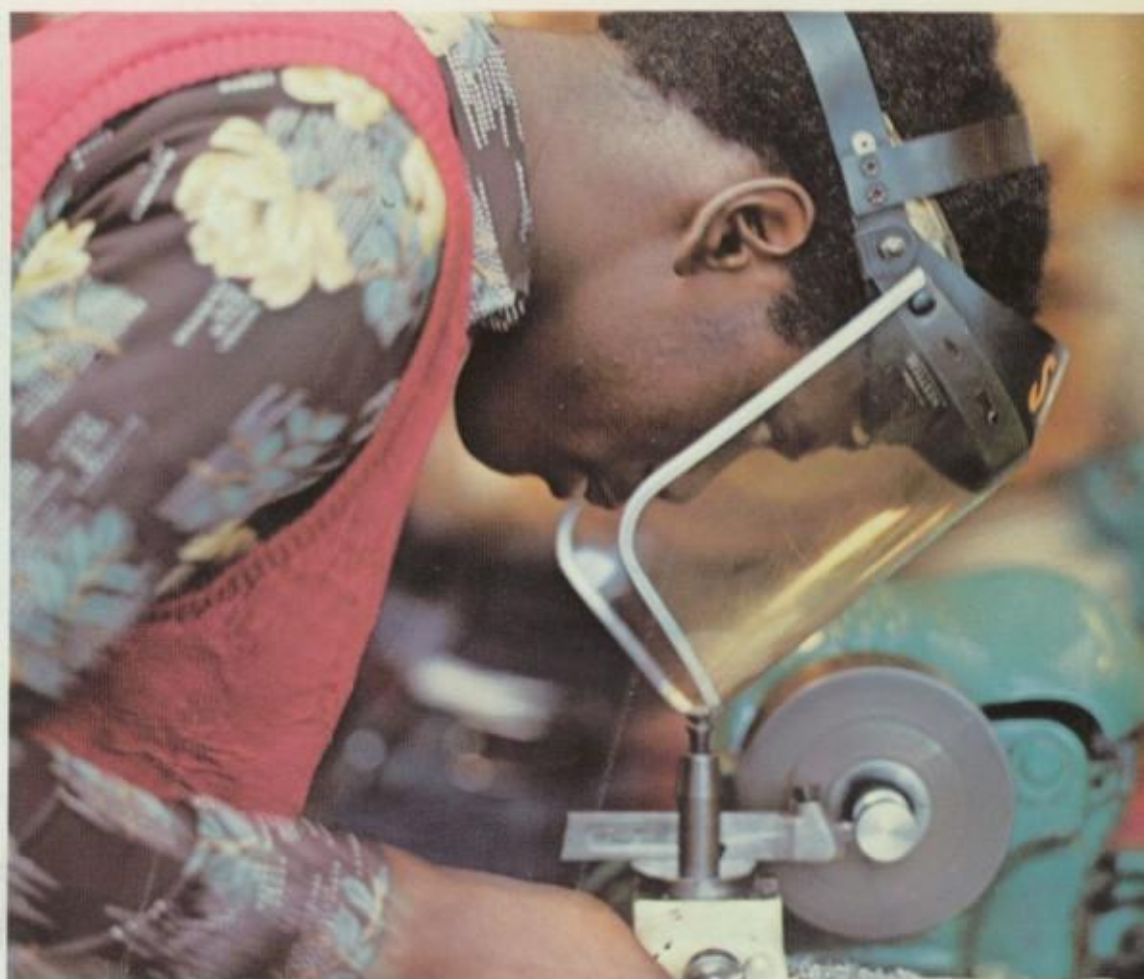

Woodward student has two concerns — his state of being for the present,

and his process of becoming for the future. It seems that a student is in

a perpetual state of being and becoming at the same time. Today he is what

he is, but he bases his being on what he wishes to become. He is prepa

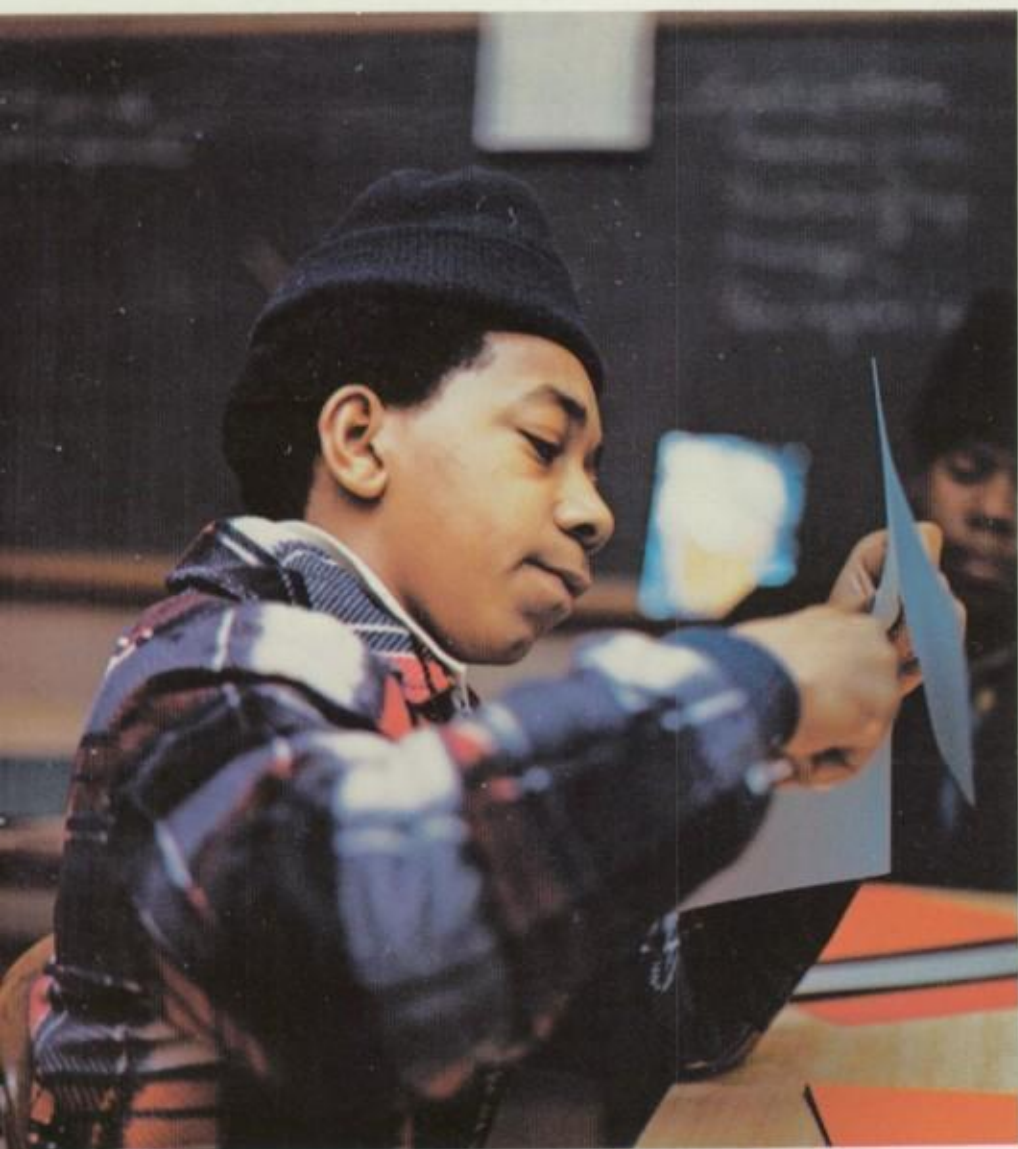

ing for that composite being he wishes to become. He tests himself in the

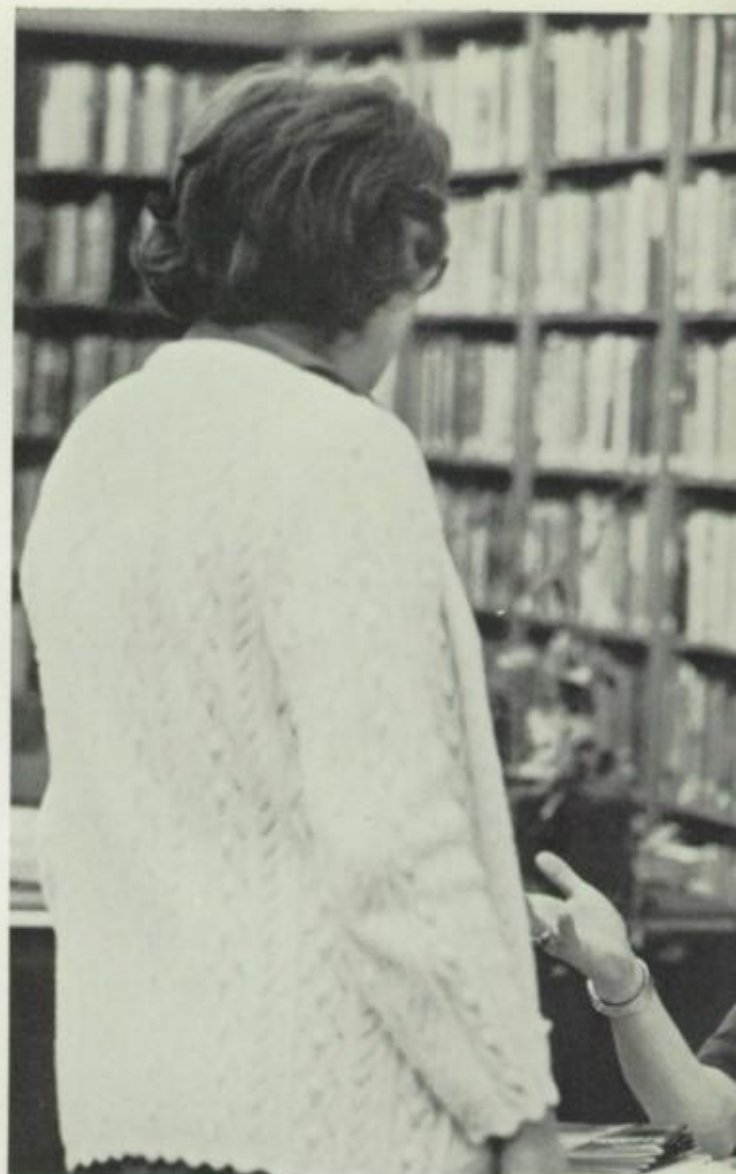

many experiences offered at Woodward. In some activities he is out

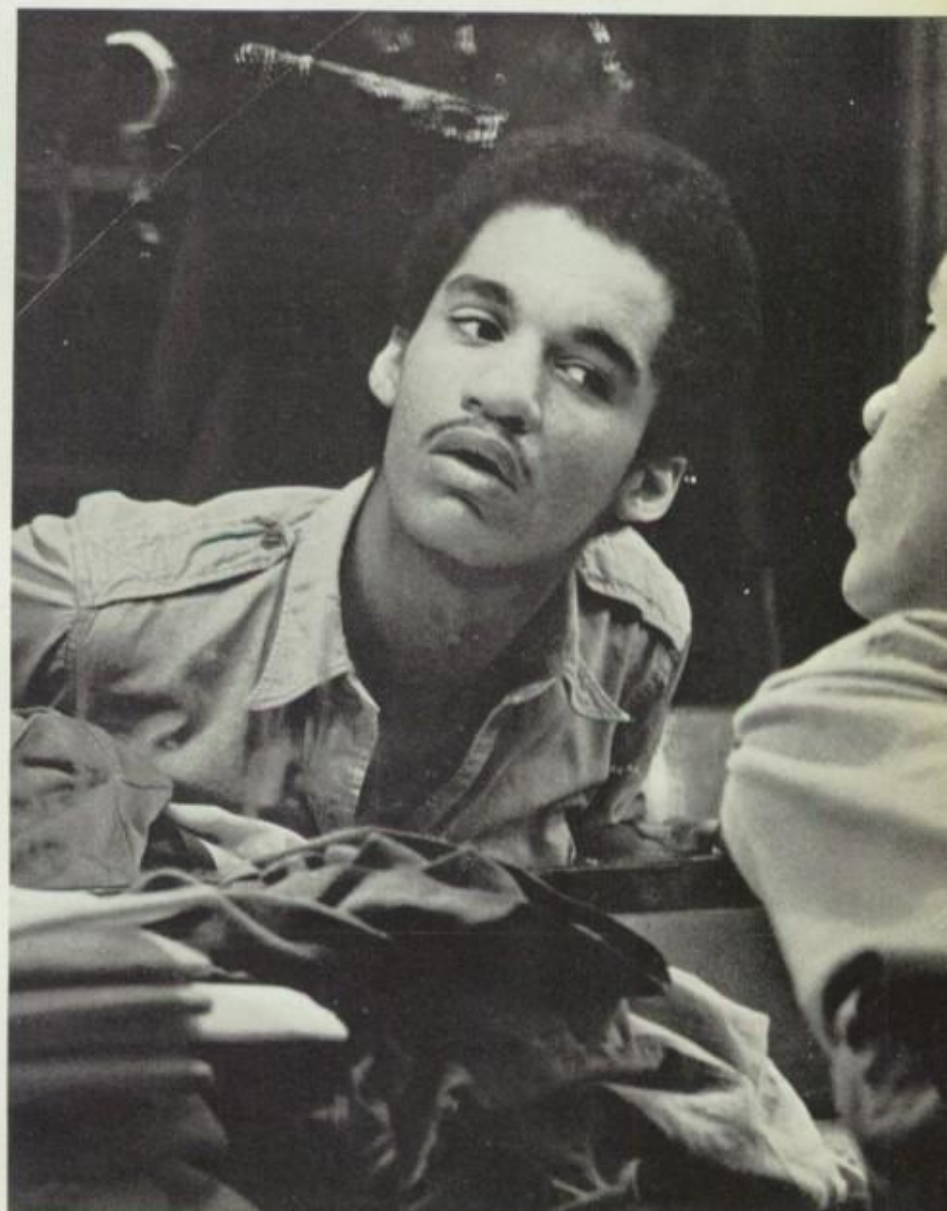

anding, but in others he is mediocre, or even a failure. He is one of over

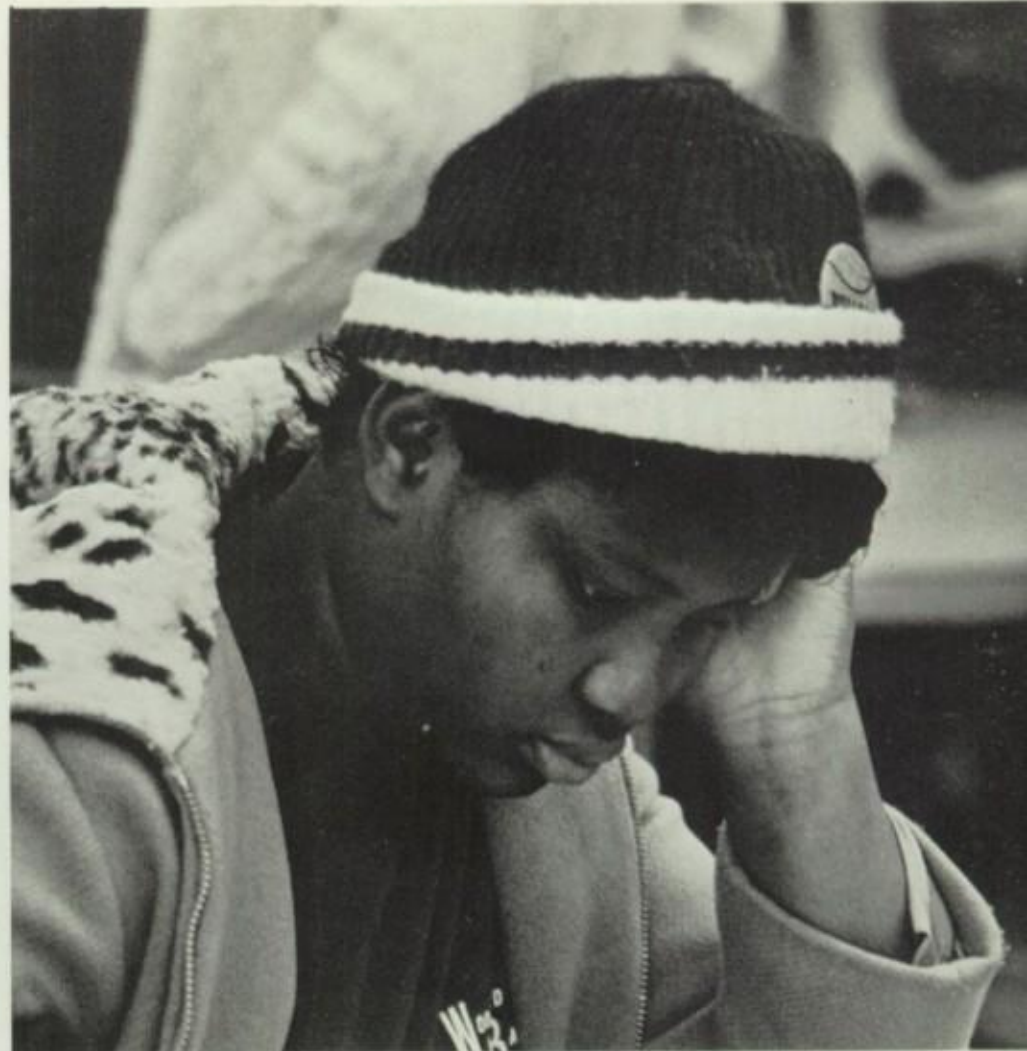

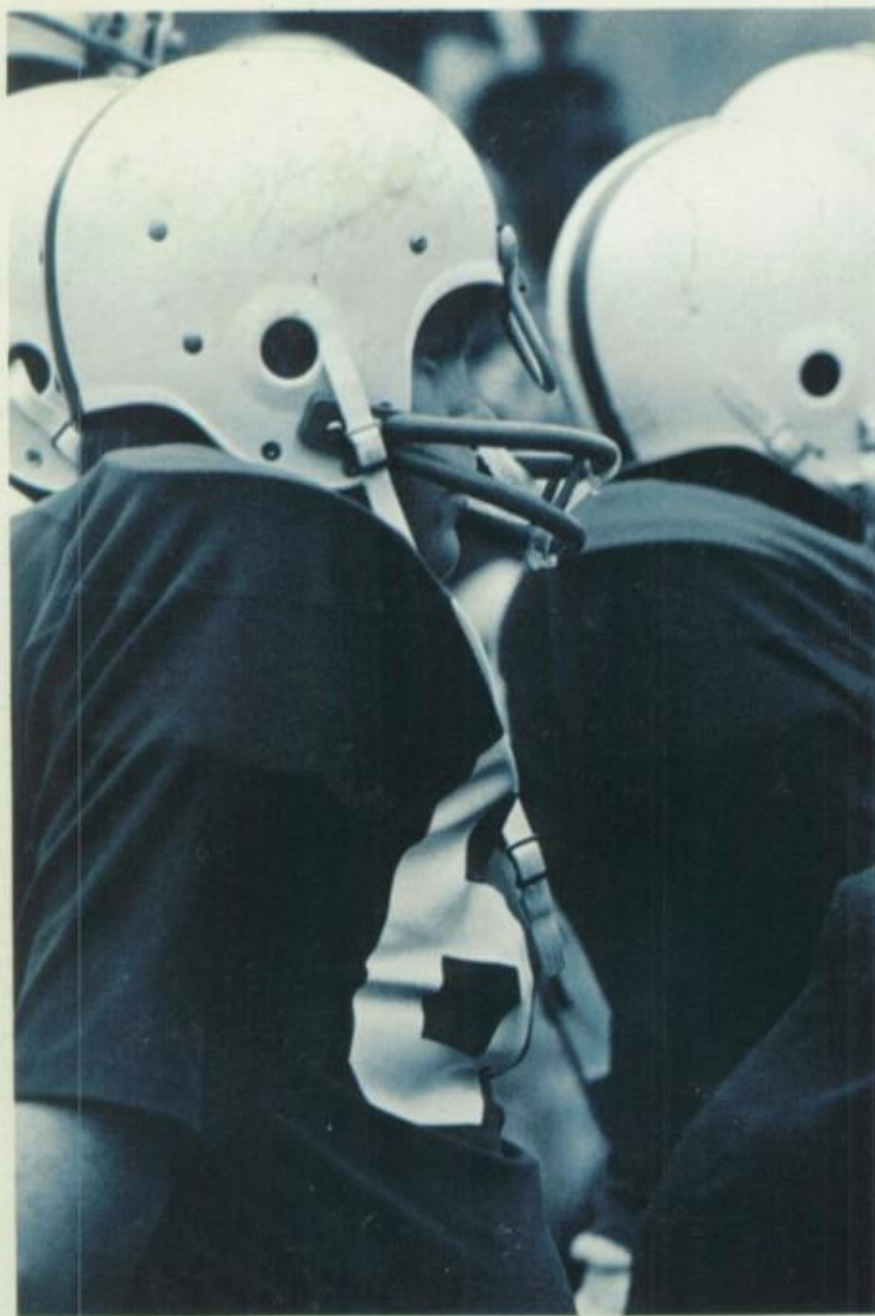

2400 students, each having his own successes and failures. At times he

may feel that he is lost as a person in the huge mass of students who make

up Woodward's student body. But there is one universal element that

unites them all. Each in his own way is striving to be.

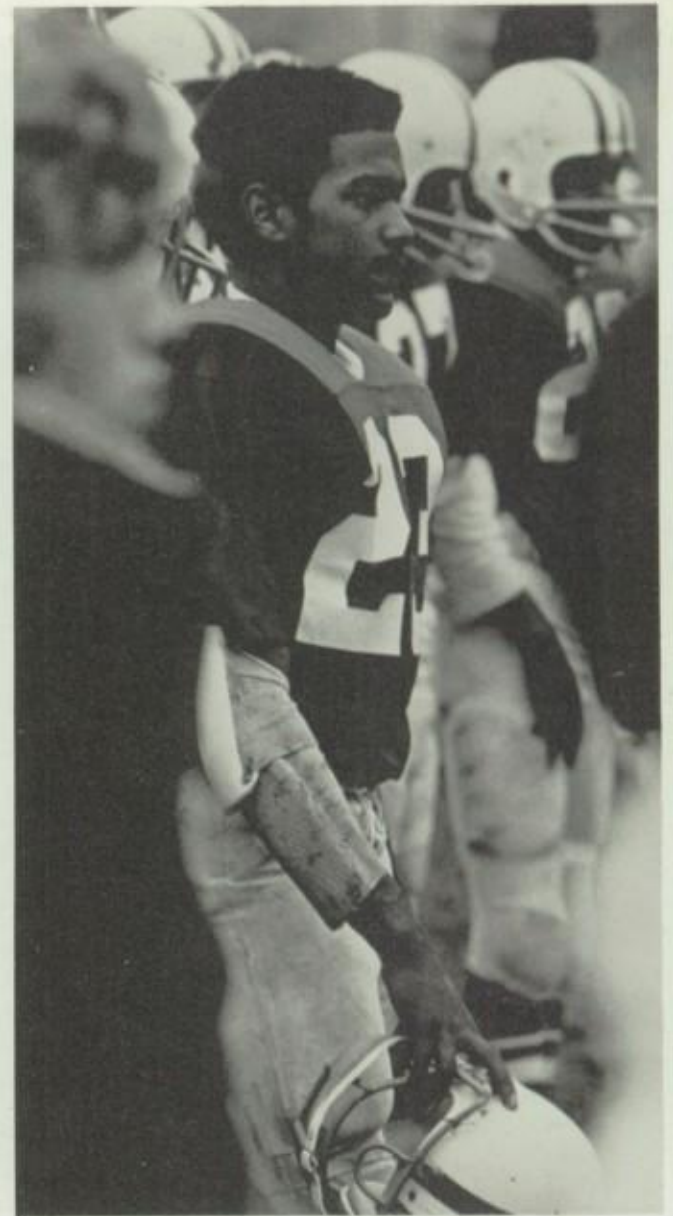

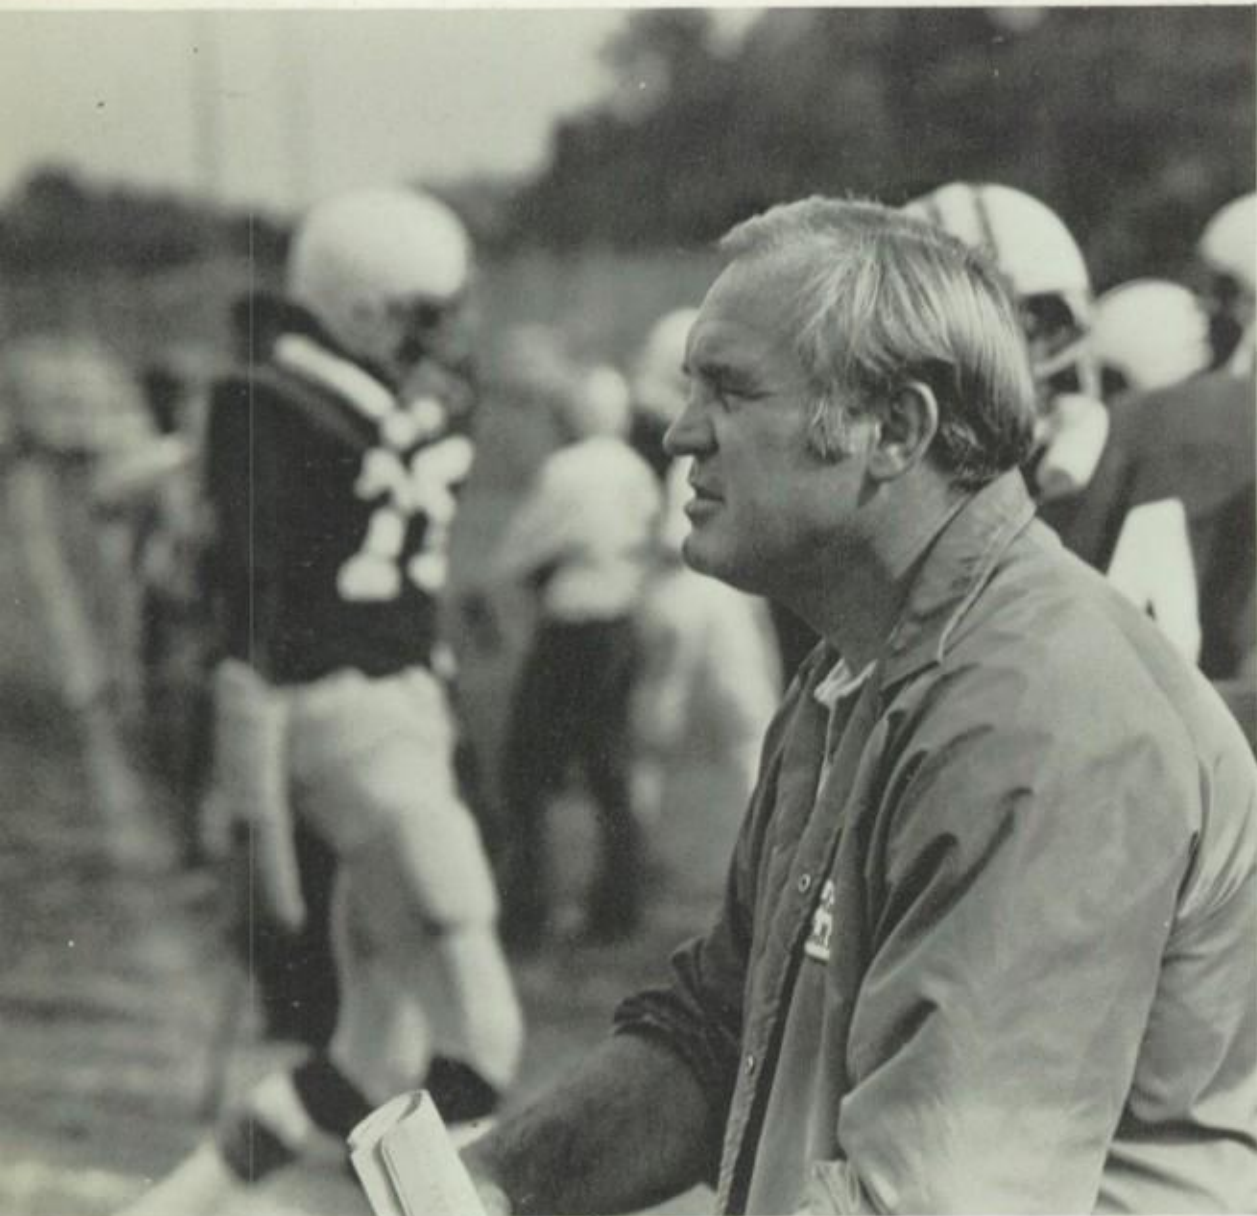

SPORTS

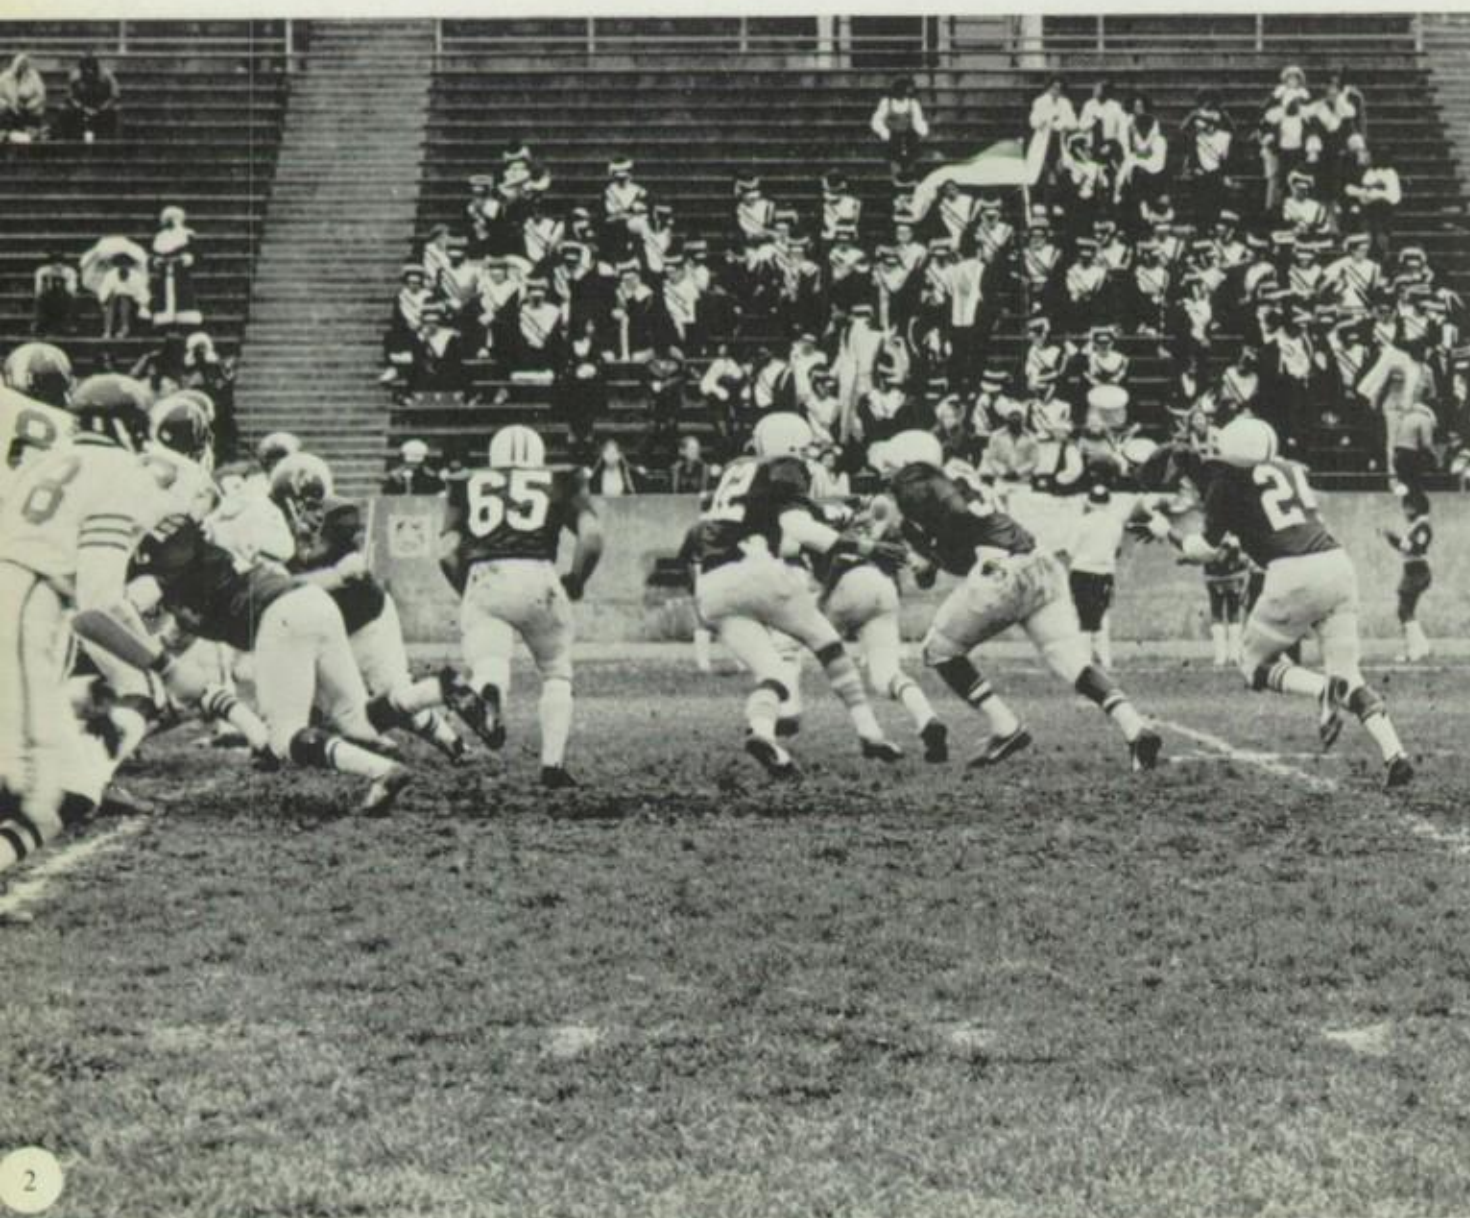

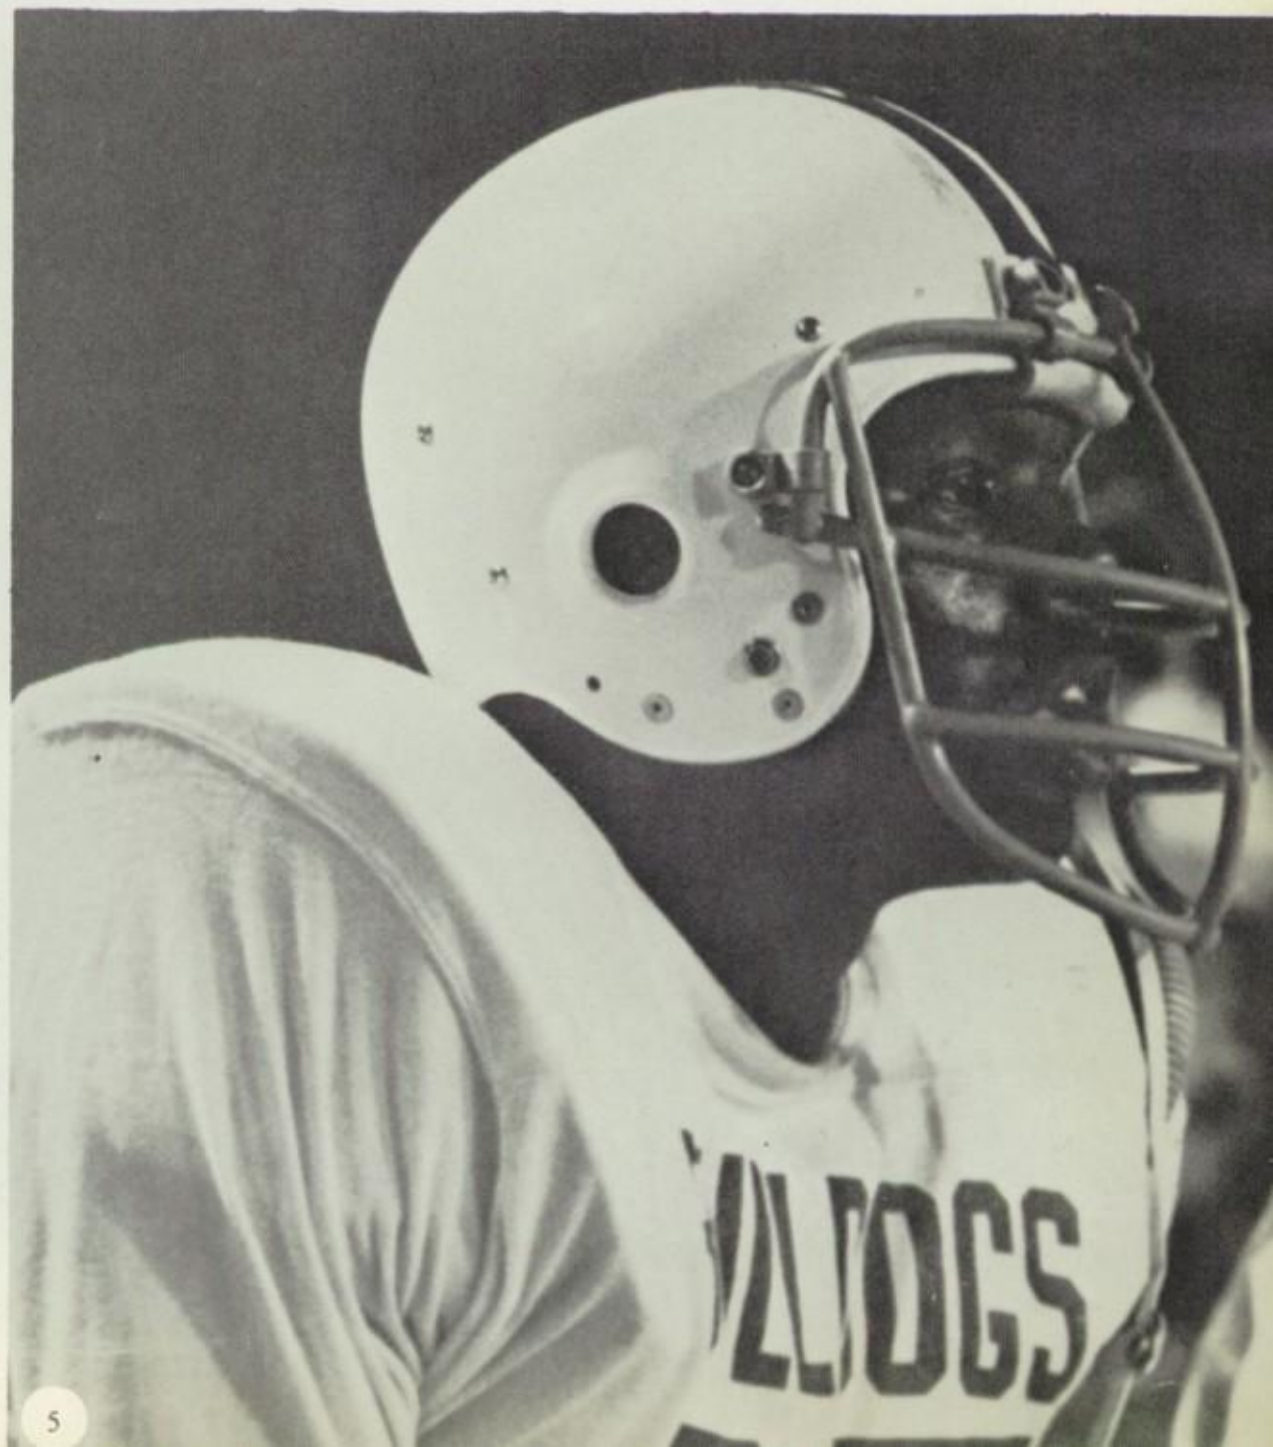

W.H.S. BULLDOGS
CO-CHAMPIONS

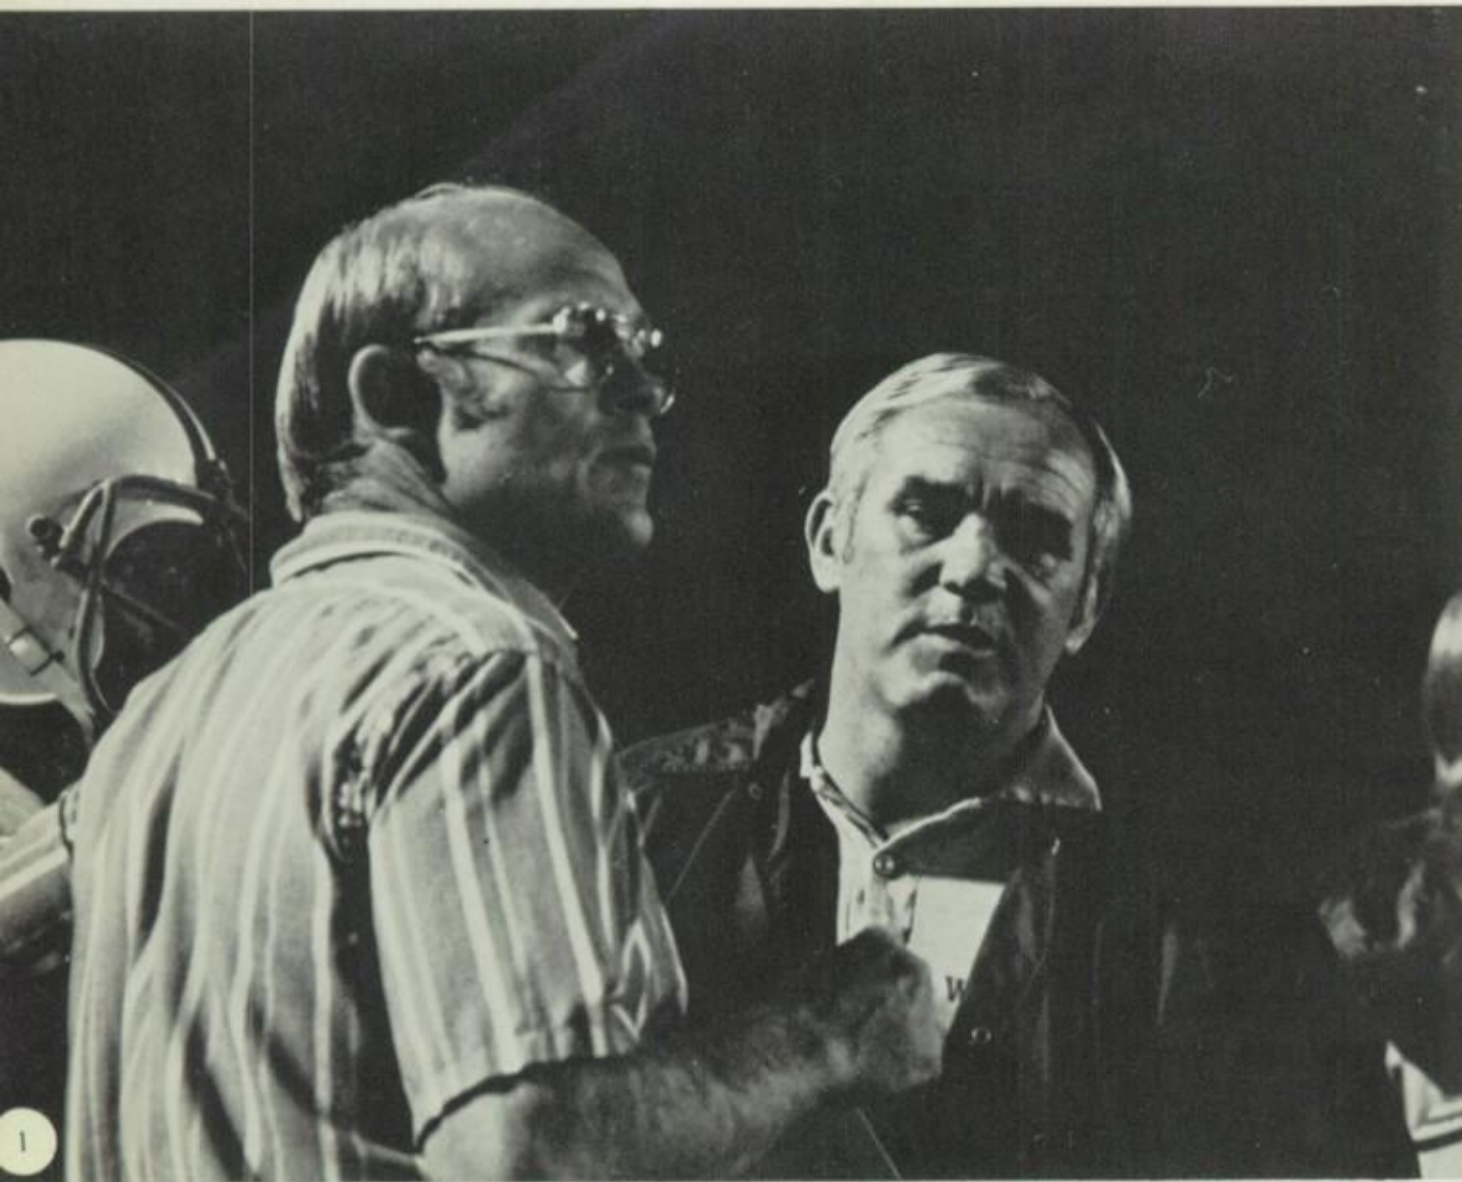

1. Larry Marshall intercepts Princeton pass.
2. Fails pitches to Corbin and Taylor.
3. Quarterback Glenn Fails takes the snap.

THE WOODWARD HIGH SCHOOL ALUMNAL ASSOCIATION

Welcomes the Class of 1974
into the organization.

As is Woodward High School, your Alumna Association is the oldest organization of its kind west of the Allegheny Mountains. It is also one of the largest and most active high school alumna associations in the entire nation. In addition, its members have included such personages as a President of the United States, Senators, Congressmen, Admirals, Generals, Educators, professional people, and many others who have distinguished themselves locally, nationally, and internationally. Truly, the graduates of Woodward High School have something to be proud of, something that the majority of high school graduates and even some college graduates don't have — heritage, a heritage that is embodied in and perpetuated by the Alumna Association.

The Alumna Association continually strives to enhance this heritage. This is accomplished in many ways. The most recent is through the Elsa and Cliff Heisel Medal of Merit Award. This medal is awarded on a strictly academic basis to the student who attains the highest four-year academic record. This medal was awarded for the first time to a student in the 1962 Graduating Class. Annual Reunions are held each year the closest Saturday to March 8th, William Woodward's birthday.
